WWW.EDUCATE-MALAWI.ORG

Best wishes to all our friends and supporters,

Here is an outline of events for the coming year. It is tentative so check the events page often for updates and details.

Please note the contact name and email address of the person organizing these events. If you wish to participate in some way or volunteer feel free to contact that person. We have an exciting year planned and we look forward to seeing many of you at them.

This is a transition year for us: completing one project and preparing for our next one. So come and support us at an event, make a donation, give us some feedback....Help us to Educate Malawi!

Peace and warm wishes to you all,
